An illustration of an ancient Chinese junk boat. The boat is dark brown with a prominent prow featuring a colorful dragon face in yellow, green, and red. The dragon has large eyes and a beard. The boat is on a body of water, with a background of green hills and a sunset sky. In the foreground, a young child with black hair, wearing a purple t-shirt with the characters '南海' (Nanhai) and '寶船沉海' (Treasure Ship Sinks in the Sea), is looking up at the boat with a curious expression. The boat has several yellow circular windows with a pattern of small circles. The overall style is a soft, painterly illustration.

在廣東海上絲綢之路博物館裏保存着這樣一艘古船——在它剛被發現時，時任中國歷史博物館館長的俞偉超認為「這是國內發現的第一個沉船遺址，它意味了一個開始」。因此，提出將它取名為「南海I號」。

「南海 I 號」造於南宋，是迄今為止世界上發現的海上沉船中年代最早、船體最大、保存最完整的遠洋貿易商船。
