Indigo's Excavation

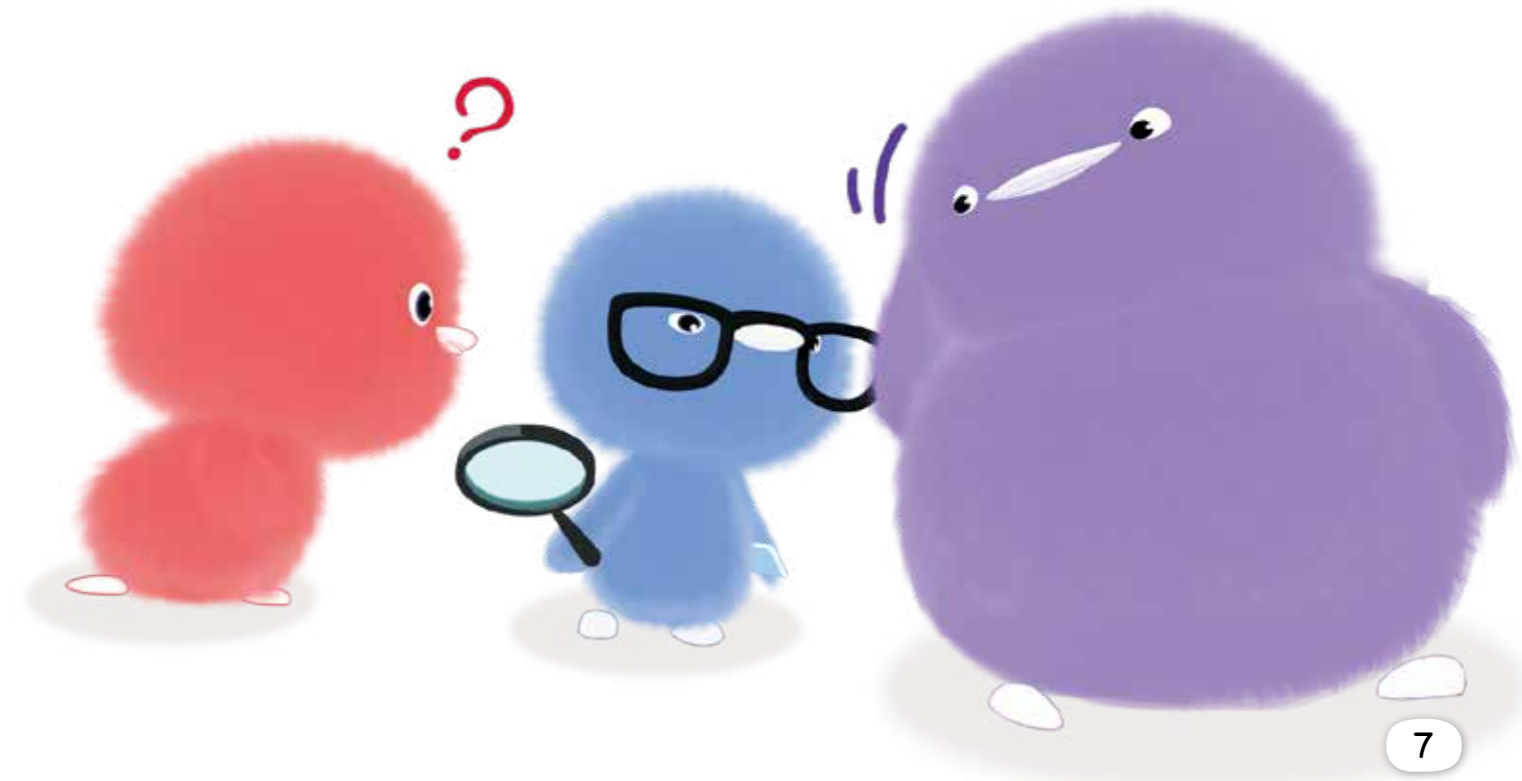

“What are you doing?”

Indigo sees Cherry and Violet digging in the clouds.
He is curious to know what they are doing.

“Indigo, what’s this? Do you know?” asks Cherry.

Is that treasure? To find out about it, Indigo decides to start an excavation.

The three chicks dig for quite a while. Finally, they get the strange thing out of the clouds.

Indigo picks it up. It is a big mask.

Soon, Cherry and Violet dig another object out of the clouds.

Indigo takes a closer look. "It is a great statue!"

"Is there any other treasure in the cave?" asks Indigo as he walks in.

"A great discovery!" Suddenly, he exclaims. There is a square object in his hand.
